

To whom it May Concern: I am very distressed to hear that K-LOVE may possibly be taken off the air. I have listen to it for the last two years and wake up to them every morning. John & Cherrie in the am are absoultly funny and so loving. It is very smoothing to listen to and I do not have to worry about what is being said with my children around who also listen to K-LOVE. Other stations have inappropriate language and this is something I do not want my children subjected to. I know of alot of people who listen and enjoy K-LOVE. It encourages us and help's us get through our day. K-Love is uplifting to us. We would be without a music station who cares what they put out on our airwaves. Please do not take K-LOVE away from us. If anything help make them stronger so we can hear them all over San Diego. That would be terrific. Sincerely yours.
